Dear Sirs

Application Ref: 22/02670/LB
Alterations to the Devils Chimney include reinstatement of 4 pinnacles to roof, new lime wash finish to interior and external fence
Cocked Hat To Well Walk Studley Park North Yorkshire HG4 3DY

We are delighted to read this application and learn of the National Trust's ongoing commitment to the restoration and interpretation of the many elements of the World Heritage Site. The research prepared as part of the application adds to our understanding of the development of the estate and trust that it provides sufficient evidence for reinstatement of the roof pinnacles.

Accordingly we have no hesitation in supporting the application.

Yours faithfully,

Christopher Hughes

Chairman, Ripon Civic Society
