7th October 2023

Dear Mr Parkes

APPLICATION NO: 6.31.373.F.FUL ZC23/02377/FUL
PROPOSAL: Erection of 100 seater stand, 3 no. dugout structures, tractor shed, fencir and gates, rearranged car park for 50 vehicles, formation of pathways an the planting of 9 trees following the removal of 4.
LOCATION: Ripon Rugby Club Mallorie Park Drive Ripon

Thank you for consulting Ripon Civic Society on the above application. I can confirm that we support the application in principle, subject to the following concern.

We do not object to the black-coloured mesh fencing or to the relatively inobtrusive structures themselves but are concerned about the potential prominence of the buildings if painted blue and yellow as proposed. We think it is reasonable for the seating and the signage to be in the club's colours but the large areas of coloured sheeting on the buildings should be in muted colours - mid grey perhaps - in order to reduce their impact. This is particularly true for the main stand.

I would ask that you take these comments into account in determining the application.

Yours sincerely

Rachel Wigginton

Planning Lead
